Re: Notification of Subscriber Transfer – CC Docket No. 00-257

Dear Madam Secretary:

Pursuant to Section 64.1120(e) of the Commission's Rules (47 C.F.R. § 64.1120(e)), this letter shall provide notification of the planned transfer of certain Pennsylvania intraLATA and interLATA toll business customers from Bell Atlantic Communications, Inc., d/b/a Verizon Long Distance to NYNEX Long Distance Company, d/b/a Verizon Enterprise Solutions. The transfer will occur between July 16 and July 23, 2004.

Verizon Enterprise Solutions certifies that it has provided advance subscriber notice in accordance with 47 C.F.R. § 64.1120(e)(3) and that it will comply with the obligations specified in that notice and other statutory and Commission requirements that apply to the streamlined carrier change process. Attached hereto are samples of the three notification letters that were mailed to the affected customers.

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Richard T. Ellis".

Important Notice About Your Verizon Long Distance Service

Verizon Enterprise Solutions will soon be your toll provider.

Your current Verizon toll provider, Verizon Long Distance, will be transferring your regional toll (i.e., intraLATA toll) and/or long distance service (i.e., interLATA toll) account to its affiliate, Verizon Enterprise Solutions. This transfer will occur no later than July 23, 2004.

Only accounts (i.e., regional toll and/or long distance service) you currently have with Verizon Long Distance will be transferred to Verizon Enterprise Solutions. This transfer will not affect accounts you have with toll providers other than Verizon Long Distance.

To facilitate the migration of customers to Verizon Enterprise Solutions, it will pay for all associated carrier change charges. Any preferred carrier freezes on your existing toll services will be lifted. To arrange a new freeze on your transferred toll service(s), please contact your local service provider after July 23, 2004. If you do not wish to receive toll service(s) from Verizon Enterprise Solutions, you may choose another toll service(s) provider, either prior to or after the transfer. You may request a change to a different toll service(s) provider by contacting either the carrier or your local service provider.

Also, prior to migration of your toll services to Verizon Enterprise Solutions, your current Verizon Long Distance service will be changed to Verizon Long Distance's FirmRatesm plan. With the FirmRate plan, you will enjoy a low rate of 9 cents a minute for state-to-state calling and 9 cents for in-state calling. These per minute rates are less than the Verizon Long Distance rates you are currently being charged. However, the FirmRate plan has a \$7.50 minimum spend level (MSL)¹. This means that your minimum bill in any month will be \$7.50 regardless of your toll usage for that month.

¹ Only Verizon Long Distance's charges contribute to MSL, including charges for direct dialed regional and long distance toll calls, operator assisted calls, Verizon Long Distance calling card long distance calls and charges under international calling plans, Verizon Conference Connections, and toll free services. Charges imposed by other Verizon affiliates, including your local Verizon telephone company, do not contribute to the MSL. Also, charges such as taxes, Universal Service charges, non-recurring charges, and calling card usage (carried by a carrier other than Verizon Long Distance) do not contribute to the MSL. Once the migration is made to Verizon Enterprise Solutions, only Verizon Enterprise Solutions' charges will apply to the MSL.

The FirmRate plan will become effective as of either your current or next billing cycle, and before your toll provider is changed to Verizon Enterprise Solutions. When your toll provider changes to Verizon Enterprise Solutions, there will be no further changes to your service at that time. The rates under the FirmRate plan will continue to apply.

If you have any questions about the change from Verizon Long Distance to Verizon Enterprise Solutions or the FirmRate plan, please call customer service toll free at 1-800-483-5000. Our Verizon Enterprise Solutions customer service representatives will also be able to address any questions or complaints you have concerning either Verizon Long Distance or Verizon Enterprise Solutions.

Verizon Enterprise Solutions welcomes you and looks forward to providing you excellent service.
